

Tortoise versus Turtle

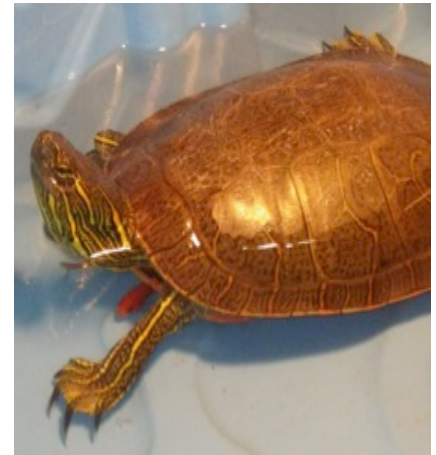

Tortoise:

- Elephant-like feet
- Comfortable on land
- Poor swimmers
- High-domed carapace

Turtle:

- Webbed feet
- Comfortable in water
- Excellent swimmers
- Low-domed carapace

World's oldest (documented) living tortoise:
Jonathan, 184 years

The cross-over: All species of Box Turtles

- Webbed feet like a turtle
- Very comfortable in water but just as comfortable on land
